BRCM Education Society

Chairman's Message

Dear Readers,

It gives me immense pleasure to welcome you to the LI (51st) edition of Samagra Shiksha, the quarterly magazine of BRCM Education Society. Every new edition is more than a compilation of events and achievements; it is a reflection of our shared aspirations, our collective journey of learning and our unwavering commitment to nurturing excellence through education.

At BRCM, we believe that education is not merely the acquisition of knowledge but the development of character, values and a lifelong passion for learning. Our endeavour is to nurture confident, compassionate and responsible individuals who are equipped to meet the challenges of an ever-changing world with integrity and purpose.

I extend my heartfelt congratulations to all our students for their outstanding performance in the CBSE Board Examinations 2026. The exceptional results of BRCM Gyankunj School in both Class X and Class XII stand as a testament to the dedication of our students, the unwavering commitment of our teachers and the constant encouragement of parents. My sincere appreciation goes to every achiever and I wish them continued success in all their future endeavours.

The accomplishments highlighted in this edition in academics, research, innovation, sports, cultural activities and community service reflect the collective efforts of the entire BRCM fraternity. I also convey my sincere appreciation to the Editorial Board of Samagra Shiksha for their dedication in preserving and presenting the voice and vision of our institutions.

I place on record my sincere appreciation for the Editorial Board of Samagra Shiksha, whose dedication, creativity and meticulous efforts have ensured that this magazine continues to serve as a vibrant chronicle of our institutional journey.

As you read these pages, I hope they inspire you to dream bigger, strive harder and contribute meaningfully to society. Let us continue to uphold the values that define BRCM and work together towards a future marked by excellence, innovation and service.

With warm regards and best wishes,
Chairman
BRCM Education Society

12th International Yoga Day

The 12th International Yoga Day was celebrated on 21 June 2026 with great enthusiasm and dignity under the aegis of BRCM Education Society, Bahal. The programme commenced with the ceremonial lighting of the lamp before Goddess Saraswati by the Chief Guest, Pandit Ravi Mahmiya, Chairman, Market Committee, Bahal, in the gracious presence of Dr. S. K. Sinha, Director, BRCM Education Society, Sunil Sharma, Former BJP District Vice President, Sunil Sangwan, BJP Mandal President, Hanuman Sharma (Paju-wale), Sarpanch Gajanand Agarwal, Dr. N. P. Gaur, Advocate Shakti Singh Gadda, Sagarmal Kedia, Sh. Dhoop Singh Sheoran, Former Deputy DEO, and Dr. Sunil Chawla. Addressing the gathering, Dr. S. K. Sinha highlighted yoga as a powerful means of achieving physical fitness, mental harmony and spiritual well-being. Referring to the Bhagavad Gita, he emphasized the importance of maintaining equanimity in every situation. The programme also highlighted this year's International Yoga Day theme, **"Yoga for Healthy Ageing,"** reinforcing the importance of adopting yoga as a lifelong practice for a healthy and balanced life.

Conduct of 11 HR Bn. NCC Camp at BRCM Vidyagram Campus

The Training Camp-108 for NCC Cadets (Boys & Girls) of 11 HR NCC Battalion was conducted from 11.05.2026 to 20.05.2026 in which 625 NCC Cadets from the NCC Wing of various schools including 30 Staff of 11 HR Bn. NCC and other officials attended the camp.

BRCM

COLLEGE OF ENGINEERING & TECHNOLOGY

PRIDE MOMENTS

“Always remember that you are absolutely unique. Just like everyone else.” – Margaret Mead.

RESEARCH ACTIVITIES

“Research is formalizing curiosity. It is poking and prying with a purpose.”- Zora Neale Hurston.

BOOK CHAPTER

- ❖ Mr. Amit Ranjan, Assistant Professor in Computer Science & Engineering Department, published a Book Chapter titled “**Global Optimization: A Review**” in Connecting Intelligence by Scopus nature, 1st Edition, 2026.

PATENT DESIGN

- ❖ Mr. Amit Ranjan, Assistant Professor in Computer Science & Engineering Department, registered a design patent entitled “**Antenna Device**” at The Patent Office, Government of India on 11th June, 2026.

PAPER PUBLISHED/ PRESENTED

- ❖ Dr. Jitendra Gaur, Associate Professor in Physics, presented a research paper titled “**Computation of Thermodynamical Parameters: Enthalpy Difference, Entropy Difference and Gibb's Free Energy Difference for the Undercooled Bulk Metallic Glass $\text{La}_{55}\text{Al}_{25}\text{Ni}_5\text{Cu}_{10}\text{Co}_5$** ” in an International Conference on “**Vikshit Bharat@2047: Multidisciplinary Pathways through Science, Technology, Commerce and Humanities**”. It was organized by IQAC and Research Cell of Kishan Lal Public College, Rewari, in collaboration with Manipal University College, Malasiya on 10th April to 11th April, 2026.
- ❖ Dr. Jitendra Gaur, Associate Professor in Physics, presented a research paper titled “**Value-Based Education Framework: A Holistic Approach for Sustainable Human Development**” in an International Conference on “**Ethical Intelligence-2026 Addressing Algorithmic Bias Through Universal Human Values**” organized by TIT&S, Bhiwani on 25th April, 2026.
- ❖ Mr. Ravinder Singh, Assistant Professor in Electrical Engineering Department, published a research paper entitled “**Comparative analytical Assessment of Conventional and Electrical Transportation System based on**”

- ❖ Professor in Physics, presented a research paper titled **“Value-Based Education Framework: A Holistic Approach for Sustainable Human Development”** in an International Conference on **“Ethical Intelligence-2026 Addressing Algorithmic Bias Through Universal Human Values”** organized by TIT&S, Bhiwani on 25th April, 2026.
- ❖ Mr. Ravinder Singh, Assistant Professor in Electrical Engineering Department, published a research paper entitled **“Comparative analytical Assessment of Conventional and Electrical Transportation System based on Energy Efficiency Environmental Effect”** in International Journal of Science, Technology and management on 25th May, 2026 (ISSN2321-774X).
- ❖ Mr. Ravinder Singh, Assistant Professor in Electrical Engineering Department, published a research paper entitled **“A Systematic Review of Electric and conventional Transportation Technologies”** in International Journal of Science, Technology and Management on 25th May, 2026 (ISSN2321-774X).
- ❖ Ms. Jyoti, Assistant Professor in Computer Science & Engineering Department, published a research paper entitled **“HAT-GNN: A Hybrid Adaptive Temporal Graph Neural Network for Traffic Congestion Prediction”** in International Journal of Scientific Research and Engineering Development, Volume 9, Issue 3, 2026.
- ❖ Ms. Jyoti, Assistant Professor in Computer Science & Engineering Department, published a research paper entitled **“A Comprehensive Review of Graph Neural Network-Based Traffic Prediction Models: Trends, Challenges and Future Directions”** in International Journal of Science, Technology and Management (IJSTM) ISSN (online): 2321-774X Volume 12, Issue 1, 2026.
- ❖ Ms. Monika, Teaching Assistant in Computer Science & Engineering Department, published a research paper entitled **“HAT-GNN: A Hybrid Adaptive Temporal Graph Neural Network for Traffic Congestion Prediction”** in International Journal of Scientific Research and Engineering Development, Volume 9, Issue 3, 2026.
- ❖ Ms. Monika, Teaching Assistant in Computer Science & Engineering Department, published a research paper entitled **“A Comprehensive Review of Graph Neural Network-Based Traffic Prediction Models: Trends, Challenges and Future Directions”** in International Journal of Science, Technology and Management (IJSTM) ISSN (online): 2321-774X Volume 12, Issue 1, 2026.
- ❖ Mr. Shivpal Singh, Assistant Professor in Computer Science & Engineering Department, published a research paper entitled **“State Management in Flutter: A Complete Comparative Study of SetState, Provider, GetX, BLoC and Riverpod”** in International Journal of Innovative Research in Technology (IJIRT) with ISSN- 2349-6002, Volume 12, Issue 12, impact factor- 8.412. The paper registered under ID 203161.
- ❖ Mr. Shivpal Singh, Assistant Professor in Computer Science & Engineering Department, published a research paper entitled **“FLSA: A Flutter-Native Adaptive Architecture for Scalable Mobile Applications Using Riverpod”** in the International Journal of Science, Technology and Management (IJSTM), Vol. 12, Issue 1, 2026.
- ❖ Dr. Vivek Kumar, Professor in Electrical

Engineering Department, published a research paper entitled **“Graph Neural Network-Based Localization and State Estimation Reconstruction in Smart Grids Under Stealthy False Data Injection Attacks”** in International Journal of Science, Technology and Management (IJSTM) ISSN (online): 2321-774X Volume 14, Issue 1, 2026.

- ❖ Mr. Kuldeep Sharma, Assistant Professor in Electrical Engineering Department, published a research paper entitled **“Graph Neural Network-Based Localization and State Estimation Reconstruction in Smart Grids Under Stealthy False Data Injection Attacks”** in International Journal of Science, Technology and Management (IJSTM) ISSN (online): 2321-774X, Volume 14, Issue 1, 2026.
- ❖ Mr. Monu Kumar, Assistant Professor in Civil Engineering Department, published a research paper entitled **“Analytical Investigation of Plate Bending Behavior Through Classical and Higher-Order Shear Deformation Models”** in International Journal of Science, Technology and Management, ISSN - 2321-774X, Volume 14, Issue 1, 2026.
- ❖ Mr. Harish Chawla, Assistant Professor in Civil Engineering Department, published a research paper entitled **“Assessment of Seismic Performance of Elevated Water Tanks”** in International Journal of Science, Technology and Management, ISSN - 2321-774X, Volume 14, Issue 1, 2026.
- ❖ Mr. Siddhant, Assistant Professor in Civil Engineering Department, published a research paper entitled **“A Systematic Review of Fracture Mechanics Models for Crack Initiation and Structural**

Failure Prediction” in International Journal of Science, Technology and Management, ISSN - 2321-774X, Volume 14, Issue 1, 2026.

WORKSHOP / WEBINAR /STC/ EXPERT LECTURE ATTENDED

- ❖ Dr. Anuj Kumar Sharma, Principal BRCM CET, participated in National Conference on **“Sports and Physical Fitness in the Modern Era: Emerging Challenges and New Opportunities”** organized by Shah Satnam Ji Boys' College, Sirsa on 16th April, 2026 (Hybrid Mode).
- ❖ Dr. Manisha Kumari, Assistant Professor in Physics, attended in the One-Day International Workshop on **“Project Writing”** organized by Center for Research and Innovation, MatSense (OPC) Private Limited, Bengaluru, India on 17th April 2026.
- ❖ Dr. Manisha Kumari, Assistant Professor in Physics, participated as **Session Chair** and **Invited Speaker** in 4th International Conference on **“Recent Trends in Material Science & Devices (ICRTMD-2026)”** organized by JVMGRR College, Charkhi Dadri, Haryana, India held during 06th April to 08th April, 2026.
- ❖ Mr. Amit Kumar, Assistant Professor in Mechanical Engineering Department, attended a One-Week Faculty Development Programme (FDP) on **“Introduction to Artificial Intelligence”** organized by the National Institute of Technical Teachers' Training and Research (NITTTR), Kolkata under the Ministry of Education, Government of India from 09th March to 13th March, 2026.

- ❖ Mr. Navneet Bulla, Assistant Professor in Mechanical Engineering Department, attended a One-Week Faculty Development Programme (FDP) on **“Introduction to Artificial Intelligence”** organized by the National Institute of Technical Teachers' Training and Research (NITTTR), Kolkata under the Ministry of Education, Government of India, from 09th March to 13th March, 2026.
- ❖ Mr. Harish Chawla, Assistant Professor in Civil Engineering Department, attended a One-Week Faculty Development Programme (FDP) on **“Introduction to Artificial Intelligence”** organized by the National Institute of Technical Teachers' Training and Research (NITTTR), Kolkata under the Ministry of Education, Government of India, from 09th March to 13th March, 2026.
- ❖ Mr. Monu Kumar, Assistant Professor in Civil Engineering Department, attended a One-Week Faculty Development Programme (FDP) on **“Introduction to Artificial Intelligence”** organized by the National Institute of Technical Teachers' Training and Research (NITTTR), Kolkata under the Ministry of Education, Government of India, from 09th March to 13th March, 2026.
- ❖ Dr. Manisha Kumari, Assistant Professor in Physics, attended a Teacher Training program on **“Computer-Interfaced Science Experiments using ExpEYES”** at Inter-University Accelerator Centre (IUAC), New Delhi, from 18th May to 23th May, 2026.
- ❖ Mr. Monu Kumar, Assistant Professor in Civil Engineering Department, attended UGC sponsored Faculty Development Programme (FDP) on **“Universal Human Values-II”** organized by UGC-MMTTC, GJUS&T, Hisar in collaboration with NCCIP, AICTE from 04th May to 11th May, 2026.
- ❖ Mr. Siddhant, Assistant Professor in Civil Engineering Department, attended UGC sponsored Faculty Development Programme (FDP) on **“Universal Human Values-II”** organized by UGC-MMTTC, GJUS&T, Hisar in collaboration with NCCIP, AICTE from 04th May to 11th May, 2026.
- ❖ Dr. Vivek Kumar, Professor in Electrical Engineering Department, served as a **Reviewer** for the **2nd International Conference on Emerging Trends in Microelectronics, Communication & Intelligent Systems (ETMCIS 2026)**, organized by the Department of Electronics and Telecommunication Engineering, MIT Academy of Engineering, Alandi (Pune), in collaboration with Springer and the National Institute of Technology (NIT) Uttarakhand, held on 29th May to 30th May 2026.
- ❖ Mr. Suresh Kumar, Assistant Professor in Mechanical Engineering Department, attended Faculty Development Program on **“Sustainable Energy Systems and Electrification Techniques for Future Mobility”** conducted in Hybrid Mode by the Dept. of EEE, PVP Siddhartha Institute of Technology, Vijayawada, from 08th June to 12th June, 2026.
- ❖ Dr. Manisha Kumari, Assistant Professor in Physics, attended a Hands-on Workshop on **“Transmission Electron Microscopy: Principles, Operation & Applications”** organized by Center for Research and innovation, Matsense (OPC) Pvt. Limited, Bengaluru, India, held on 13th June, 2026.
- ❖ Dr. Dinesh Kumar, Professor in Computer Science & Engineering

Department, attended Faculty Development Program on “**Artificial Intelligence for Educators: Tools, Techniques and Applications**” organized by the A2Z Edu Learning Hub, India from 16th June to 20th June, 2026.

❖ Ms. Jyoti, Assistant Professor in Computer Science & Engineering Department, attended Faculty Development Program on “**Artificial Intelligence for Educators: Tools, Techniques and Applications**” organized by the A2Z Edu Learning Hub, India from 16th June to 20th June, 2026.

❖ Mr. Shivpal Singh, Assistant Professor in Computer Science & Engineering Department, attended Faculty Development Program on “**Recent Advances in Engineering, Technology & Research Methodologies**” organized by the Department of Research & Publications, URCP from 16th June to 20th June, 2026.

❖ Mr. Vikash, Assistant Professor in Computer Science & Engineering Department, attended Faculty Development Program on “**Recent Advances in Engineering, Technology & Research Methodologies**” organized by the Department of Research & Publications, URCP from 16th June to 20th June, 2026.

WORKSHOP / EXPERT LECTURE ORGANIZED

❖ The Electrical Department of BRCM College of Engineering and Technology successfully conducted a seminar on the fundamentals and applications of semiconductors on 9th April 2026. The session covered basic concepts such as intrinsic and extrinsic semiconductors, doping and their practical uses in electronic devices. Students actively

participated and gained valuable insights into modern semiconductor technologies.

❖ Mr. Ayush Sharma, Soft Skills Trainer, conducted two consecutive sessions for students of GDC Memorial and BRCM CET (2nd & 3rd Year – CSE, EE & Mechanical). The sessions focused on “**Importance of Soft Skills**” where students were guided on improving communication skills, confidence and professional behavior.

TRAINING & PLACEMENT ACTIVITIES

❖ **Student Achievements & Recognition:** The department shared an excellent opportunity with students regarding the “**Algo University Technology Fellowship**” a fully funded technical education and mentorship program offering a 100% scholarship worth more than ₹1 lakh.

❖ **Mr. Pushpender (B.Tech. 2nd Year)** successfully cleared Stage 1 and Stage 2 coding rounds and secured selection for the fellowship. To acknowledge this achievement, a **Felicitation Ceremony** was organized on 27th March 2026, aiming to celebrate student's excellence, promote a competitive coding culture, and inspire peers to participate in national-level opportunities.

❖ **Assessment & Training Initiatives:** To prepare students for upcoming placement drives, the department organized an **Aptitude Assessment & English Readiness Test**, in which **78 pre-final year students** actively participated. This initiative helped evaluate students' readiness and identify areas for improvement.

❖ **Student Engagement & Skill Development:** The department introduced the **Toastmasters Club “STAGE”** to enhance students' communication skills, confidence and public speaking abilities while reducing stage fear. The club initiated by founding members Mr. Manas, Mr. Ankesh (Batch 2026) and Ms. Rajlaxmi (Batch 2026). Initially engaging 20+ students, the club has now expanded to 40+ active participants from engineering streams.

❖ **Student Engagement & Skill Development:** The department introduced the **Toastmasters Club “STAGE”** to enhance students' communication skills, confidence and public speaking abilities while reducing stage fear. The club initiated by founding members Mr. Manas, Mr. Ankesh (Batch 2026) and Ms. Rajlaxmi (Batch 2026). Initially engaging 20+ students, the club has now expanded to 40+ active participants from engineering streams.

❖ **Campus Recruitment & Internship Opportunities:** Solitaire Infosys conducted a campus recruitment drive for final-year B.Tech. CSE students and offered internship opportunities for 2nd and 3rd year students. The selection process included a **Pre-Placement Talk, Aptitude Test, Technical Test and Personal Interviews.**

- ❖ **30+ students** secured internship offers.
- ❖ Final-year placement results are awaited.

❖ **Placement Highlights:** The department proudly shares the following student achievements:

❖ **Bharat Prasad Shah** (B.Tech. Civil) and **Ankit Matth** (B.Tech. CSE) from 2021–25 batch selected in Larsen & Toubro Ltd. at **12 LPA** and TCS at **7 LPA**.

❖ **Vishal Kumar Singh** (B.Tech CSE, 2022–26) selected in QodeRepo Technologies under an **Internship-cum-Placement Program.**

INDUSTRIAL VISIT

❖ To bridge the gap between theoretical knowledge and practical exposure, multiple industrial visits were organized. **EV Lab, Central University of Haryana.** A group of 22 students, along with faculty members, explored advanced battery technology and electric vehicle mechanisms, gaining hands-on exposure to emerging innovations in the EV sector.

❖ Dr. Jitendra Gaur, Associate Professor and ANO of NCC, was granted the commission rank of Lieutenant by NCC Group Commander Brigadier H.S. Burn at 11 Har BN NCC, Bhiwani on 24th April, 2026.

❖ On the occasion of “**Nari Shakti Vandan Adhiniyam Prachar Abhiyan (10-20 April 2026)**” a signature campaign organized by NSS cell of BRCM College of Engineering & Technology, Bahal on 20th April 2026. NSS female volunteers, female faculty members and other girl students participated in this campaign.

❖ On the occasion of “**Nari Shakti Vandan Adhiniyam Prachar Abhiyan (10-20 April 2026)**”, a signature campaign was organized by NSS cell of BRCM College of Engineering & Technology, Bahal on 20th April 2026. NSS female volunteers, female faculty members and other girl students participated in this campaign.

❖ The Electrical Engineering Department of BRCM Engineering College successfully organized a Skill Development Program aimed to enhance practical and technical abilities of students on 15th April 2026. The program focused on hands-on training, modern tools and industry-relevant skills in the field of electrical engineering. Students actively participated and improved their understanding of real-world applications.

❖ BRCM CET proudly achieved a 74% pass rate in the NCC 'C' Certificate Examination for 3rd-year cadets. Out of 24 cadets, 17 successfully qualified with commendable grades. Notably, BRCM CET recorded the best result in the 11 Haryana Battalion.

SMRITI 2026

Farewell Party “Smriti 2026” organized by BRCM CET, Bahal to say goodbye to final year students of B.Tech. on 12th May, 2026 at Swami Vivekananda Auditorium under guidance of Dr. Anuj Kumar Sharma, Principal BRCM CET and efficiently coordinated by Ms. Neha, Assistant Professor (CSE). The program started with lamp lightening by Chief Guest Dr. S K Sinha and Dignitaries. Honorable Principal Prof. Anuj Kumar Sharma welcomed Chief Guest, Dignitaries and all students. The programme started by welcome dance performance by 3rd year students. Final year students got chance to show case their talent by a stunning Ramp walk and various solo Dance performances. The audiences enjoyed the fashion show and they encouraged the participants by making hooting sounds. There was a tough competition among the final year students as they gave amazing performances. Mr. Rishav, student of Computer Science & Engineering final year, selected as the Mr. Farewell and Ms. Avni, student of Computer Science and Engineering final year, crowned as Ms. Farewell. The list of tag holder students for outstanding performance is given below:-

- ✧ Best student from Civil Engineering Department – Ms. Nisha
- ✧ Best student from Computer Science & Engineering Department- Mr. Manas
- ✧ Best student from Electrical Engineering Department- Mr. Rajan Aryal
- ✧ Best student from Mechanical Engineering Department- Mr. Sagar

The farewell party successfully concluded with the vote of thanks by Mr. Suresh Kumar, who took the medium on behalf of the College to thank all the respective heads, for technical support and all the subordinates faculties and staff for their continuous cooperation and support and not forgetting the students' volunteers for the events.

GDC

MEMORIAL COLLEGE

Research Activities

Patent/Book Published

- ⇒ Dr. Kousik Das Malakar, Assistant Professor of Geography, authored and published a new book titled **Geographies of Disaster Risk Reduction Practices: New Approaches, Progress and Contemporary Challenges**. (ISBN: 9781836620112), published by Emerald Publishing, U.K., which is indexed in SCOPUS.
- ⇒ It is a matter of great pride that the edited book **“Advances in Amorphous Materials and Applications,”** under the editorship of Dr. Sanjay Gaur, Associate Professor & Head, Department of Physics, GDC Memorial College, has been accepted for publication by Springer Nature, Singapore.

Research Paper Published

- ⇒ Dr. Punita, Assistant Professor of English, has published a research paper titled **“Reimagining Hindu Philosophy in Hermann Hesse's Siddhartha: A Study of Spiritual Transformation and Self-realization”** in *EPRA International Journal of Multidisciplinary Research* (impact factor 8.753).
- ⇒ Dr. Sanjay, Associate Professor & Head, Department of Physics, has published a

research paper in the month of June, 2026, entitled **“Investigation of Electric and Dielectric Properties of Bi₂O₃-Doped PbOB₂O₃SiO₂ Glasses”** in collaboration with researchers from Maharshi Dayanand University (MDU), Rohtak, in the prestigious *Journal of Solid State Chemistry*, an internationally recognized SCI, Scopus and Web of Science-indexed (peer-reviewed) journal published by Elsevier Publishing House.

- ⇒ Dr. Himanshu Grover, Department of Geography, has successfully published a research paper titled **“Mapping of Groundwater Potential Zones Using Geospatial and AHP Techniques in Western Haryana for Sustainable Groundwater Management”** in the *Environment Conservation Journal*, an international peer-reviewed Scopus-indexed journal.
- ⇒ Dr. Sunitha Fogat and Dr. Perna Sihag, Assistant Professors of Agriculture, co-authored a research paper titled **“Response of Soil P Fractions and Its Uptake by Wheat in Different P-Containing Soils on Application of Different Levels of P and Zn”** in the journal *Plant Archives*.

Research Paper Reviewed

- ⇒ Dr. Sanjay Gaur, Associate Professor and Head, Department of Physics, reviewed the research manuscript entitled “**Preparation and Crystallization Kinetics of High Refractive Index $\text{Bi}_2\text{O}_3\text{-B}_2\text{O}_3\text{-ZnO-Sb}_2\text{O}_5$ Glass**” submitted to the **Journal of Non-Crystalline Solids**” in the month of April, 2026. The Journal of Non-Crystalline Solids is SCI and Scopus indexed, an international journal with an impact factor of 3.5 and Elsevier publishing house.
- ⇒ Dr. Kousik Das Malakar, Assistant Professor of Geography, reviewed one research papers for the Coastal Studies & Society (Sage, New Delhi).
- ⇒ Dr. Kousik Das Malakar, Assistant Professor of Geography, reviewed one research papers for the Sustainability Science (Springer Nature, New York).
- ⇒ Dr. Kousik Das Malakar, Assistant Professor of Geography, reviewed one research papers for the Planning Practice and Research (T and F, U. K.).
- ⇒ Dr. Suman Devi, Assistant Professor of Chemistry, reviewed a research paper entitled “**Enhanced Blue Emission in $\text{CaAl}_2\text{Si}_2\text{O}_8\text{:Eu}^{2+}$ Phosphor for White LED Applications**” on 25th May, 2026, which was submitted by Samiksha M. Borghare, Et al., Department of Chemistry, R.T.M. Nagpur University – 440033, India, for publication in the international Journal of Fluorescence, Springer Nature Publishing House.
- ⇒ Dr. Sanjay Gaur, Associate Professor

and Head, Department of Physics, reviewed the research manuscript entitled “**Optical properties and γ -radiation shielding of sodium-bismuth-borate glasses modified with selected metal oxides**” submitted to the Journal of Alloys and Compounds in the month of June, 2026. The Journal of Alloys and Compounds is SCI and Scopus indexed, an international journal with an impact factor of 6.7 and Elsevier publishing house.

Workshop/Seminar/Conference Attended

- ⇒ Dr. Sanjay, Associate Professor and Head, Department of Physics, attended and actively participated in the online meeting of the Postgraduate Board of Studies (BoS) organized by the Department of Physics, Chaudhary Bansi Lal University (CBLU), Bhiwani on June 18th, 2026.
- ⇒ Dr. Mukesh Kumari, Assistant Professor, GDC Memorial College, Bahal, successfully completed the LVIII Online NEP 2020 Orientation & Sensitization Programme organized by the UGC Malaviya Mission Teacher Training Centre (MMTTC), Aligarh Muslim University, under the Malaviya Mission Teacher Training Programme of the Ministry of Education, Government of India. The programme was conducted from 19th May to 27th May 2026, and Dr. Mukesh Kumari secured Grade A+. This achievement reflects her commitment to academic excellence and continuous professional development in alignment with the objectives of the National Education Policy (NEP) 2020.

Co-curricular Activities

Training Session on Sexual Harassment Prevention

⇒ Reaffirming its commitment to fostering a safe, inclusive and respectful campus, the Internal Complaints Committee (Sexual Harassment) of GDC Memorial College, Bahal organized a one-day training session on 11th April 2026. The programme featured an insightful address by Mr. Ankur Aggarwal on **“Sexual Harassment Prevention,”** highlighting the significance of awareness, dignity, mutual respect and legal accountability in educational institutions. Through meaningful discussions and practical perspectives, the session encouraged participants to uphold a culture of sensitivity and shared responsibility. Dr. Poonam, the organiser and in-charge of the programme, ensured its smooth and successful conduct, making the initiative both informative and impactful.

Paying homage to the architect of the Indian Constitution

⇒ GDC Memorial College, Bahal celebrated the birth anniversary of Dr. B. R. Ambedkar on 14th April, 2026 in the Seminar Hall. Jointly organized by the Department of Political Science and the NSS Unit, the programme reflected Dr. Ambedkar's enduring legacy of equality, justice and social empowerment. Dr. S. K. Sinha, the Chief Guest, eloquently highlighted his remarkable contributions to nation-building and constitutional democracy, inspiring the audience to uphold the values of inclusivity and human dignity.

Nari Shakti Vandan Campaign Promotes Social Awareness

With the spirit of empowering women and fostering social responsibility, GDC Memorial College, Bahal, in collaboration with BRCM Law College, organized the **“Nari Shakti Vandan Abhiyan”** on 16th April 2026. Guided by Principal Dr. S. K. Sinha, the campaign witnessed enthusiastic participation from students through rallies, a march and a signature drive advocating women's safety, dignity and rights.

LAMHE

GDC Memorial College organized a heartfelt farewell ceremony, “**Lamhe**” on 1st May, 2026 for the graduating undergraduate and postgraduate students at Swami Vivekananda Auditorium. The event featured vibrant cultural performances and an engaging quiz round. In the undergraduate category, Ansh (B.Com.) was crowned Mr. Farewell, Vartika (B.A. VI Semester) received the Miss Farewell title, while Sahil (B.A.) and Sneha (B.A. VI Semester) were honoured as Mr. Personality and Miss Personality, respectively. In the postgraduate category, **Sahil (M.Sc. Physics)** and **Priyanka (M.Com. IV Semester)** were declared Mr. Farewell and Miss Farewell, while Pravesh (M.Com.) and Shivani (M.Sc. Physics) received the Mr. Personality and Miss Personality titles.

Sports Activities

Bronze Medal in Karate

GDC Memorial College, Bahal takes immense pride in the outstanding achievement of NCC Cadet Mr. Harsh Jangra (BPES First Year), who secured a bronze medal in Karate at the All India Inter-University Championship. His remarkable feat is a testament to unwavering dedication, discipline and perseverance.

Senior National Karate Championship (F) 2026

Bringing glory to GDC Memorial College, Bahal, Anjali (BPES Second Year) delivered an exceptional performance in Karate. After being selected to represent Haryana at the Senior National Karate Championship Trial, organized by the Haryana Sports Karate Association at Kurukshetra on 1st March, 2026, she went on to win a Gold Medal in the 68 kg category at the KAI U-21 & Senior National Karate Championship, held in Madhya Pradesh from 23rd March to 24th March 2026.

15th Haryana State Junior U-20 Athletics Championship (M&F) 2026

The 15th Haryana State Junior U-20 Athletics Championship was held at Karan Stadium, Karnal, from 4th April to 5th April 2026. Sakshi (BPES 1st Year) participated in the Heptathlon event and won a Bronze Medal, bringing laurels to the college.

08th Haryana State Senior Athletics Competition(M&F) 2026

The 08th Haryana State Senior Athletics Competition was organized at Navdeep Stadium, Narwana, from 29th April to 30th April 2026. Sakshi (BPES 1st Year) participated in the Heptathlon event and secured a Gold Medal, showcasing outstanding athletic performance at the state level.

BPES Students Won Gold at South Asian Throwball Championship

GDC Memorial College, Bahal takes immense pride in the outstanding accomplishment of BPES students Sukhbir (6th Semester), Niku (4th Semester) and Viresh (2nd Semester), who proudly represented India at the 2nd South Asian Throwball Championship 2026 held in Ranchi. The Indian teams clinched Gold Medals, emerging as South Asian Champions. Their exceptional performance, unwavering commitment and sporting excellence have brought great honour to the institution and inspired fellow students to pursue excellence with dedication and perseverance.

Activities by NCC Cadets

NCC Cadets Lead Cleanliness Drive

Demonstrating the true spirit of service and social responsibility, the NCC cadets of GDC Memorial College, Bahal organized a Cleanliness Drive on 17th April 2026. With enthusiasm and dedication, the cadets cleaned the campus surroundings and spread awareness about the importance of hygiene, environmental conservation and civic responsibility.

Celebration of World Creativity and Innovation Day

Celebrating the spirit of creativity and innovation, the NCC Unit of GDC Memorial College, Bahal observed World Creativity and Innovation Day on 21st April 2026 with a Poster Making Competition and an Extension Lecture on Artificial Intelligence (AI). Students expressed their innovative ideas through thought-provoking posters on **“Innovation for a Better Future”**, focusing on environmental sustainability, digital awareness and social progress. Dr. Ashok Kumar, NCC In-charge, delivered an engaging lecture on the applications and ethical dimensions of AI, inspiring cadets to embrace innovation responsibly and contribute meaningfully to a rapidly evolving world.

NCC ANO Commissioning Ceremony – Award of Lieutenant Rank

A proud moment for the NCC fraternity, a dignified rank conferment ceremony was held at **11 Haryana NCC Battalion, Bhiwani**, on 24th April, 2026. The ranks were conferred by **Brigadier H. S. Brun**, Group Commander, Rohtak, who commended the officers for their dedication and commitment. Dr. Ashok Kumar, Assistant Professor of History, was awarded the rank of Lieutenant. The occasion celebrated leadership, discipline and service, inspiring the officers to continue contributing wholeheartedly to the NCC and the nation.

Tree Plantation Drive on World Environment Day

On the occasion of World Environment Day, on 5th June, 2026, the NCC Unit of GDC Memorial College, Bahal, organized a Tree Plantation Drive to promote environmental conservation and sustainability. NCC cadets enthusiastically planted saplings within the college campus and pledged to protect and nurture them. The programme aimed to create awareness about the importance of trees in maintaining ecological balance and combating climate change. The initiative inspired students to adopt eco-friendly practices and contribute towards building a greener and healthier environment. Faculty members also actively participated in the plantation drive, encouraging students to take responsibility for preserving nature. The event highlighted the vital role of youth in protecting the environment and promoting sustainable development.

Other Activities

MoU Signed with Ayush Skill Shastra Private Limited for Multi-Skill Internship Programme

GDC Memorial College, Bahal signed a Memorandum of Understanding (MoU) with Ayush Skill Shastra Private Limited, Jaipur, Rajasthan, on 8th May, 2026 for the implementation of a Hybrid/Online Multi-Skill Internship Programme in accordance with the objectives of the National Education Policy (NEP) 2020 and the academic guidelines of Chaudhary Bansi Lal University (CBLU), Bhiwani. The collaboration is designed to bridge the gap between academic learning and industry requirements by equipping students with practical, job-oriented skills. Under this programme, students will receive structured training in English Communication, Artificial Intelligence (AI) and Digital Productivity Skills, enabling them to enhance their technical competence, communication abilities and professional readiness. The internship programme will be delivered through a blended learning approach, combining online instruction with practical activities to ensure flexibility and effective learning outcomes. This initiative is expected to strengthen students' employability, foster innovation, develop entrepreneurial thinking and prepare them to meet the evolving demands of the modern workforce while supporting their overall academic and career development.

MoU Signed with Proxima Geospatial & Education Services for Multi-Skill Internship Programme

GDC Memorial College, Bahal entered into a Memorandum of Understanding (MoU) with Proxima Geospatial & Education Services, Hisar, Haryana, on 30th May, 2026 for the implementation of a Hybrid/Online Multi-Skill Internship Programme in alignment with the objectives of the National Education Policy (NEP) 2020 and the academic framework of Chaudhary Bansi Lal University (CBLU), Bhiwani. The primary objective of this collaboration is to strengthen industry-academia partnerships by providing students with structured internship opportunities, hands-on training and skill development programmes that complement their academic studies. Through this initiative, students will gain practical exposure to industry practices, emerging technologies and professional work environments, enabling them to develop technical expertise, problem-solving abilities, teamwork and communication skills. The programme will be delivered through a flexible hybrid mode, combining online learning with practical assignments and interactive sessions conducted by industry experts. It is expected to enhance students' employability, encourage innovation and experiential learning and prepare them to meet the evolving demands of the modern job market. The collaboration also reflects the college's commitment to providing quality education, fostering professional excellence and creating career-oriented learning opportunities for its students.

Strengthening Academic Collaboration with CBLU

On 01 July 2026, a delegation from BRCM Education Society comprising Dr. S. K. Sinha, Director, BRCM Education Society and Principal, GDC Memorial College, Bahal; Dr. Sunil Kumar Shukla, Principal, BRCM Law College, Bahal; and Dr. Sanjay, IQAC Coordinator, GDC Memorial College, Bahal, visited the office of the Hon'ble Vice-Chancellor of Chaudhary Bansi Lal University (CBLU), Bhiwani. During the visit, the delegation interacted with Prof. Deepti Dharmani, Hon'ble Vice-Chancellor; Prof. (Dr.) Pawan Gupta, Controller of Examinations; and Prof. Dinesh Kumar, Dean, Faculty of Physical Sciences and Director, IQAC, CBLU, Bhiwani. The meeting focused on strengthening academic collaboration and discussing matters related to higher education, including the establishment of a research centre, examination processes, evaluation of answer scripts, issuance of DMCs, and other administrative issues concerning GDC Memorial College, Bahal, and BRCM Law College, Bahal, which are affiliated with Chaudhary Bansi Lal University, Bhiwani.

Awareness and Training Program on Sexual Harassment

Under the joint aegis of BRCM Higher Educational Institutions, GDC Memorial College and BRCM Law College, organized an awareness and training program on sexual harassment at workplaces on April 11th, 2026. The program was held in the M. K. Choudhary Seminar Hall of the institution. The keynote speaker, trainer and mind power coach, Mr. Ankur Agrawal, stated that sexual harassment against women is a serious crime and a violation of human rights, which can occur at workplaces, schools, colleges or public places. He explained that it may take the form of unwelcome physical contact, sexual remarks or gestures. He emphasized that raising one's voice against such acts, filing complaints and living fearlessly are fundamental rights of every individual, as safety and dignity are basic human rights. He further clarified that sexual harassment is not limited to physical assault but includes any form of unwelcome sexual behavior whether physical, verbal or online. During the session, it was highlighted that under the Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal) Act, 2013, it is mandatory for every institution to constitute an Internal Complaints Committee to address such

issues. The Director of BRCM Education Society, Dr. S. K. Sinha, in his address, said that such programs not only spread awareness among youth but also inspire them to become responsible and vigilant citizens. The program was co-ordinated by Dr. Poonam Kumari and Dr. Bharti, who played a significant role in its successful organization. The event was conducted and hosted by Dr. Ashok Kumar Pilania, while Dr. Poonam Kumari delivered the vote of thanks. At the end of the program, the keynote speaker was honored with a memento. On this occasion, the external member of the Internal Complaints Committee, Ms. Pooja Panchal, principal of all three colleges, faculty members and staff were present. The event concluded on a highly positive note, leaving a lasting impact on all attendees and reinforcing the institution's unwavering commitment to gender equality. Ultimately, the program successfully fostered a culture of mutual respect, safety and empowerment across the entire campus community.

Celebration of Dr. Bhim Rao Ambedkar Jayanti

BRCM Law College has celebrated the 135th birth anniversary of Dr. Bhim Rao Ambedkar with great pomp on April 14th, 2026. Dr. Sunil Kumar Shukla, Principal, inaugurated the program by attending the program as the chief guest. He advised the students to follow the path shown by him and took inspiration from his life. Speeches were also given by the students. The program was successfully organized under the efficient direction of Dr. Bharti, Assistant Professor of Law. Overall the event was enjoyed by all.

Nari Shakti Vandan Awareness Program

An awareness program under the “**Nari Shakti Vandan Prachar Abhiyan**” was organized on 16th April, 2026, by BRCM Higher Educational Institutions, Bahal, including BRCM Engineering College, GDC Memorial College and BRCM Law College. The main objective of the program was to spread awareness about respect, safety and empowerment of women in society. The program was conducted under the guidance of Dr. S. K. Sinha, Director, BRCM ES. Students from all three colleges actively participated in the event. Various activities such as poster-making and speech competitions were organized, where

students shared their views on women's rights and empowerment. Members of NSS, NCC and the Women Cell also showed active participation. The program concluded with appreciation of all participants, emphasizing that such initiatives are important for bringing positive change in society. The event drew to a close with a collective pledge by all faculty members and students to foster a safe, equal and deeply respectful environment for women both on campus and in society.

Observance of Earth Day - Awareness Campaign

The awareness program, organized on the occasion of Earth Day on April 22nd, 2026 at PM Shri Government Girls Senior Secondary School, Bahal, was a highly commendable and inspiring initiative. The program was conducted by BRCM Law College, with active participation from its faculty members and students. Such programs not only enhance students' awareness about environmental protection but also make them conscious of their rights and duties. Through this initiative, students were informed in detail about environmental laws, the role of the National Green Tribunal (NGT) and constitutional provisions, thereby encouraging them to become responsible citizens. On this

occasion, Dr. Bharti, Dr. Preet Singh and Dr. Raj Rani, along with other faculty members and students of BRCM Law College actively contributed by delivering informative and insightful sessions. The program was conducted under the guidance of the Govt. Girls Senior Secondary school, Bahal, Principal, Mr. Vishnu Kumar, whose support and encouragement inspired the students towards environmental conservation. The inclusion of activities such as MCQ competitions, speech competitions and lectures ensured active participation of the students, making the program more engaging and effective. The students showcased exceptional enthusiasm, demonstrating their creativity and deep understanding of ecological issues through their eloquent speeches and sharp responses in the MCQ round. Overall, the program proved to be highly informative and successful in fostering environmental awareness and a sense of responsibility among students. The memorable event culminated with a collective pledge, where all dignitaries, faculty members and students vowed to adopt eco-friendly habits and protect Mother Earth. This initiative successfully transformed the students into enthusiastic Eco-Warriors, eager to carry the message of sustainability back to their families and neighborhoods.

BRCM GYANKUNJ SCHOOL

(A Day-cum-Residential, Co-Ed School, Affiliated to CBSE)

Hawan Yajna

The entire BRCM Gyankunj School family extends heartfelt congratulations to these achievers. Their accomplishment is a source of immense pride for the institution and serves as an inspiration for fellow students to pursue their goals with determination and perseverance. The school wishes them great success as they embark on their journey of serving the nation with honor and dedication.

BRCM

PUBLIC SCHOOL (SHISHUKUNJ)

New Academic Session Begins

The new academic session commenced on 1st April, 2026, with a Havan held on the school campus to seek divine blessings. Mr. Sandeep Tandon, Principal, BRCM Shishukunj, addressed the students and teachers, motivating them to begin the session.

Worlds' Health Day

World Health Day was celebrated in the school on 07th April, 2026. Students were advised about their health. They all enjoyed the event. World Health Day is observed to raise awareness about global health issues and encourage governments, organizations and individuals to take action toward better health for all. The programme motivated students to adopt healthy habits, maintain personal hygiene and lead a physically and mentally healthy lifestyle.

Worlds' Art Day

World Art Day was celebrated in the school on 07th April, 2026. Students made different kinds of art sketches and painting on this day. They all enjoyed the event.

Dr. B. R. Ambedkar Jayanti

Dr. B. R. Ambedkar Jayanti was celebrated in the school on 14th April, 2026, to commemorate the birth anniversary of Dr. Bhimrao Ramji Ambedkar, one of India's greatest social reformers, jurists and the chief architect of the Indian Constitution. The day was observed with great respect and enthusiasm to honor his remarkable contributions to social justice, equality and nation-building.

Educational Visit to the Horticulture and Naturopathy Centre

The students of Class VI participated in an educational visit to the Horticulture and Naturopathy Centre on 20th April, 2026, accompanied by Mrs. Meenakshi Phogat and Mrs. Kavita Kumari. During the visit, students explored a variety of plants, flowers, medicinal herbs and fruit-bearing trees and learned about seed germination, plant care, organic farming, compost preparation and environmental conservation. They also visited the Naturopathy section, where they gained insights into natural healthcare practices, including balanced nutrition, herbal remedies, yoga and healthy living. The experts emphasized the importance of nature in maintaining physical and mental well-being. The visit was highly interactive and informative, encouraging students to ask questions and learn through observation. It enhanced their environmental awareness, scientific curiosity and appreciation for sustainable living, making it a valuable and enriching learning experience beyond the classroom.

Surdas Jayanti & Doha Recitation

On 21st April, 2026, Surdas Jayanti was celebrated with a student speech on the life and contributions of the great poet-saint Surdas. A Hindi Doha Recitation Competition was also organized, encouraging students to appreciate Hindi literature and showcase their recitation skills.

Earth Day Poster Making

Earth Day was celebrated in the school on 22nd April, 2026. To mark the occasion, students participated in a poster-making activity, creating attractive posters to spread awareness about protecting the Earth and conserving natural resources. The activity inspired students to adopt eco-friendly habits and develop a sense of environmental responsibility.

Story Telling Competition

A story telling competition was held on 23rd April, 2026, on World English Language Day. This competition was completed in two parts i.e. one for Class First and Second on 23rd April, 2026 and other was on 30th April, 2026, for Class Third and Fourth.

International Dance Day

On the occasion of International Dance Day, a special dance programme was organized for the newly admitted students. They participated enthusiastically and showcased their talent through lively dance performances. The event helped students build confidence, express themselves creatively and feel welcomed into the school community.

International Labour Day

International Labour Day was celebrated on 1st May, 2026, to recognize the hard work and dedication of workers across all fields.

The day reminds us that every profession contributes significantly to building a strong and progressive society. Farmers, factory workers, teachers, doctors, engineers and service providers all play a vital role in the nation's economic and social development. Their sincere efforts help communities grow and ensure the prosperity of the country.

Induction Program

An Induction Programme was organized to warmly welcome the newly admitted students and familiarize them with the school environment. They were introduced to the school's rules, facilities, values and daily routine. The programme helped the students feel comfortable, confident and enthusiastic as they began their new academic journey. Teachers interacted with the students through engaging activities, motivating them to participate actively in school life.

Achievers' Assembly

Achievers' Assembly was conducted on the school premises to recognize and celebrate the outstanding accomplishments of students. The assembly honoured students who demonstrated exceptional dedication, academic excellence and strong moral values. It acknowledged their hard work, perseverance and commitment to excellence while inspiring other students to strive for higher achievements and uphold the core values of the institution.

Inter-House Volleyball Tournament

An Inter-House Volleyball Tournament for Grades V and VI was organized on 4th May, 2026, to promote physical fitness, teamwork, discipline and sportsmanship among students. The participants displayed remarkable enthusiasm, coordination and a healthy competitive spirit throughout the tournament. Principal Mr. Sandeep Tandon and Mrs. Pinki (PTI) motivated the students and appreciated their energetic participation. The tournament concluded successfully with the declaration of the winning team, inspiring students to actively participate in sports and adopt a healthy lifestyle.

Teacher's Workshop on "Life Skills"

A CBSE Workshop on Life Skills was conducted on 9th May, 2026, for the teaching staff. The workshop enhanced teachers' understanding of essential life skills and provided practical strategies to manage personal and professional challenges effectively.

Workshop on Mental Health & Student Wellness

A CBSE Capacity Building Workshop on "Promoting Mental Health and Wellness among Students" was organized to strengthen teachers' understanding of students' emotional and psychological well-being. The workshop was conducted by Ms. Payal, Principal, The Olive School, Fatehabad, and Mrs. Vikash Sharma, PGT-Commerce, Delhi World Public School, Bhiwani, who served as the CBSE Resource Persons. The session provided valuable insights and practical strategies for creating a supportive and positive learning environment.

World Environment Day

World Environment Day was celebrated on 5th June, 2026. Students marked the occasion by planting saplings at their homes and spreading awareness about protecting the environment. The activity encouraged them to adopt eco-friendly habits and keep their surroundings clean and green.

BRCM

SKILL DEVELOPMENT TRAINING CENTRE

SDTC Courses

The Computer Training Course at BRCM Skill Development Training Centre (SDTC), conducted with 20 trainees, has been successfully completed after three months. The trainees received practical training in basic computer applications, Advanced Excel and Tally, demonstrated excellent learning progress, and appreciated the institute's teaching methodology. Certificates are under preparation and will be distributed shortly. Meanwhile, the Beautician Training Course under the guidance of Mrs. Priyanka is progressing well with 15 trainees. Having completed its first month, the programme is providing hands-on training in skincare, hair care, makeup, nail care and grooming, helping participants develop professional skills for employment and self-employment in the beauty and wellness sector.

Tailoring Course

The Women Tailoring Course commenced on 25th June, 2026 and is progressing successfully under the guidance of Mrs. Suman Soni, Trainer. A total of 10 women are participating in the programme, receiving three hours of practical training each day. The course aims to develop garment stitching and tailoring skills, enabling participants to meet the growing demand of the fashion and apparel industry while enhancing their self-employment opportunities.

MANAV KALYAN HOSPITAL

Inauguration of Manav Kalyan Hospital, Bahal

Manav Kalyan Hospital, a unit of Manav Kalyan Trust, has been inaugurated at Bahal with the objective of providing advanced and affordable healthcare facilities to the people of Bahal and the surrounding rural areas. The hospital was formally inaugurated by former Cabinet Minister Shri Jai Prakash Dalal, while the function was presided over by Shri Sadhuram Panihar, Sarpanch, Bahal. Addressing the gathering, Shri Jai Prakash Dalal emphasized that access to quality healthcare in rural regions is the need of the hour. He appreciated the efforts of BRCM Education Society in establishing a modern healthcare institution that will greatly benefit the local population by reducing the need to travel to distant cities for specialized treatment. Dr. S. K. Sinha, Director, BRCM Education Society, highlighted that the hospital is committed to delivering high-quality, patient-centric medical services equipped with modern technology. The hospital offers specialized services in General Medicine, General Surgery, Obstetrics & Gynaecology, Ophthalmology, Dentistry, Physiotherapy, Digital X-ray, OPD, IPD, ICU, 24×7 Emergency Care, and Ambulance Services. The institution has been developed as a 100-bed modern hospital and is working towards obtaining NABH accreditation, ensuring national standards of healthcare quality. Dr. Sinha further informed that, in the near future, a BRCM College of Nursing will also be established alongside the hospital, where courses in B.Sc. Nursing, GNM, and Paramedical Sciences will be offered.

Free Eye & Health Check-up Camp at Manav Kalyan Hospital, Bahal

On the occasion of the 11th Death Anniversary of Late Shri Tarachand Agrawal, a Free Eye & Health Check-up Camp was successfully organized on 24th May 2026 at Manav Kalyan Hospital, Bahal, by G.T. Hope Foundation in collaboration with Aadhar Hospital, Hisar and Manav Kalyan Hospital, Bahal. The camp commenced at 9:00 AM and continued until 1:00 PM, witnessing an overwhelming response from the residents of Bahal and nearby villages. A team of experienced specialists from Aadhar Hospital, Hisar, along with the medical team of Manav Kalyan Hospital, conducted comprehensive health examinations and offered expert consultations. Patients received free eye examinations, ECG, blood pressure (BP) check-ups, blood sugar tests, blood investigations and other essential health screenings. Free medicines and spectacles were distributed to eligible patients, while individuals diagnosed with cataract were identified and registered for free cataract surgery. The organizers expressed their gratitude to the doctors, healthcare professionals, volunteers, and all supporting organizations for their valuable contribution in making the camp a success.
